God is always actively involved in creating a future and a hope for us. Recovering From Losses in Life is a Christ-centered sharing and learning group that help people deal with issues and struggles they encounter in the loss process. This approach can also help others who are friends of someone who is experiencing grief.

Come and join us each Wednesday night during February (starting on February 1st). Each session starts at 6 pm and will last approximately one hour. Please contact Glo Yancey at 817.597.6408 for more information.
